Mr. Adams.

Miss F. Somers is leasing a residence at 186 St. George St. for the use of students at the Margaret Eaton School although this residence will not be connected in any way with the school itself. The furniture at present stored at Rawlinson's will be moved to the new location.

The girls will be away at camp during September so that, although the lease is to date from September 1st, the residence will not actually be opened until they return to the city.

The furniture is, of course, the property of the Margaret Eaton School.

Memo re Camp

In 1935-36 we rented the Ontario Athletic Commission Camp at \$600.00 for the month and ran it ourselves. On this we made approximately \$200.00.

In 1936-37 we went to Tanamakoon. Here we paid \$300.00 rent and all the students' board went to Miss Hamilton who ran the camp, that is the meals etc. Tanamakoon being so far north is much more expensive to run. Consequently our expenditure was approximately:

Rent - 300.
Salaries 292.
Sundries 40.
632.

Add to this 200. which we made last year but did not this
making a difference of 832. between the two years.
It is necessary, however, that we go to a camp like Tanamakoon at least once in two years.
